Annual Take Our Kids to Work™ Program

Take Our Kids to Work™ is the signature program of The Learning Partnership, a national charitable organization dedicated to supporting, promoting and advancing public education in Canada. Now in its 20th year, *Take Our Kids to Work* annually involves more than 250,000 students in a day of **career exploration** and learning about the skills required in the world of work. More than 75,000 businesses and organizations also participate. On **Wednesday, November 5, 2014**, Grade 9, Senior 1 (Manitoba) and Secondary III (Quebec) students across Canada will spend the day at the workplace of a parent, relative, friend or volunteer host.

For students, it’s more than just a fun day. It’s an opportunity to:

- Understand the importance of staying in school by seeing first-hand the skills required in today’s workplace.
- Start exploring career options in a practical way and gaining a better understanding of just how many career choices are open to them.
- Experience a day in the world of work and begin thinking about the kind of job they might aspire to.

“Students have an opportunity to see what the workplace is like, appreciate the expectations, understand their parents better and understand the importance of planning a career path.” – Educator

For parents, it’s an opportunity to prepare children for the future by:

- Participating in a shared experience with their child.
- Enriching their child’s experience with career discussions before, during, and after the workplace visit.

What if it is not possible to go to work with a parent?

Parents invite their own children to join them at work for the day, but if this is not possible, there are other ways for your child to participate:

- Ask a relative, neighbour or family friend to take your child to work.
- Ask a parent who is taking his or her child to work if your son or daughter can join them for the day.
- Contact local businesses and ask if they are participating in *Take Our Kids to Work* day. Inquire if someone within their organization would be willing to host your child providing you make the necessary transportation arrangements.

“My overall experience from Take Our Kids to Work was awesome. There were multiple stations where we learned about jobs like media, engineering, supply chain, welding and many more. There were lots of hands-on activities which gave me a feel for that particular job.” – Student

Safety First

Workplace health and safety is a vital aspect of the *Take Our Kids to Work* program. It is essential that both students and parents receive information about health and safety prior to their workplace visit. They also need to know their rights and responsibilities for jobs they may hold now and in the future.

Parents need to be aware of the work that their children are engaging in on this day and ask questions about the health and safety provisions. Links to other organizations with workplace health and safety expertise and materials can be accessed through thelearningpartnership.ca.

“Scotiabank relies on highly skilled and educated talent and that’s why we have been a proud national sponsor of Take Our Kids to Work day for 20 years. Take Our Kids to Work day offers students a rare opportunity to experience the working world and a chance to see how their skills can be applied in a future career.” – Barbara Mason, Chief Human Resources Officer, Scotiabank.

The Learning Partnership’s Canada’s Outstanding Employer Awards

Employer participation is critical to the success of the *Take Our Kids to Work* program. It demonstrates a strong commitment to employees and to the future workforce of Canada. Each year, The Learning Partnership invites organizations hosting *Take Our Kids to Work* events to apply for the **Canada’s Outstanding Employer Awards**. Winning organizations receive national recognition.
