## 2024 - 2025 Course Offerings

- Course selections are completed online using **myBlueprint**. Login using your SchoolConnect username and password.
- Please visit the **Course Selection** page on **W-O's Guidance website** (<https://wod.wrdsb.ca/guidance-3>) for more information regarding course selections, Ontario Secondary School Diploma requirements, course descriptions/prerequisites, and **myBlueprint** Instructions.
- Information regarding apprenticeships, colleges, universities and the workplace can also be found on W-O's Guidance website under **Pathway Planning**.
- Please select your courses carefully. Check to make sure you have successfully completed the prerequisite courses. It is not always possible to change courses once the school year is underway.
- Consult with your parents when making your selections. If you have questions, please ask your guidance counsellor.

### MINIMUM NUMBER OF COURSES REQUIRED BY GRADE:

- Grade 9: 8 courses
- Grade 10: 9 courses (Careers and Civics are a ½ credit each)
- Grade 11: 7 courses

A **Fifth Year Student's** total credit count must be 34 credits or less unless you have an IEP. Contact your guidance counsellor if you have questions.

If you are planning on returning for one semester only, please add **S1ONLY** or **S2ONLY** to your course selections to indicate your preferred semester.

Students wishing to enroll in **less than 3 courses per semester** must apply for part-time status by completing the **Grade 12 Survey** (located on the Course Selection page of W-O's website) by the course selection deadline.

To participate on a school WCSSAA sports team, you must be enrolled in at least 2 full credit courses per semester.

**Full Disclosure** is a Ministry of Education requirement for all Grade 11 and 12 courses. All attempted Grade 11 and 12 course codes and marks earned will be recorded on the Ontario Student Transcript. If a course is dropped within 5 instructional days following the issue of the first provincial report card it will not appear on the transcript. Students must have the paperwork for all course deletions completed and returned to their guidance counsellor prior to the deadline. Please note that course deletions must be approved by administration.

The **Ontario Secondary School Literacy Course (OSSLC)** is offered for students who have been unsuccessful at least once in the Ontario Secondary School Literacy Test. This credit fulfills the Literacy test requirement for a high school diploma. Please see your guidance counsellor for additional information.
